

This image shows a blank sheet of graph paper. The grid consists of 15 columns and 20 rows of small, uniform squares. The lines are thin and grey, set against a white background. The grid covers the entire central area of the page, leaving a small white margin around the edges.

A large grid of graph paper with 20 columns and 30 rows. The grid is composed of thin, light gray lines forming a uniform pattern of small squares. The grid is enclosed within a thin black border. The grid is empty, with no text or markings other than the grid lines themselves.

A blank sheet of graph paper with a grid of 20 columns and 25 rows. The grid is composed of thin black lines forming small squares. The paper is otherwise empty, with no text or markings.

A blank sheet of graph paper with a grid pattern. The grid consists of 20 columns and 30 rows of small squares. The lines are thin and gray, forming a consistent grid across the entire page.

A blank sheet of graph paper with a grid pattern. The grid consists of 20 columns and 25 rows of small squares. The lines are thin and black, and the background is white. The grid covers the majority of the page, with a small margin at the top and bottom.

A large grid of graph paper consisting of 18 columns and 24 rows of small squares. The grid is empty and occupies most of the page.
